FAMILY READINESS CORNER

Hello to all Soldiers and Families of the 40th MP Company,

I hope you all had a great summer! It has a busy summer for me but alot of memorable moments. I know it has been a hot summer for sure and with a lot of hard work and training that the unit has been doing I have confidence that the 40th MP Company will be at it's best.

Things are in planning for upcoming events. I am very excited to get all the soldiers and families together. Please remember that the Family Readiness Group "FRG" is for all Officers, Enlisted Personnel and Family Members. Single or Married. I am in the process of collecting all your contact information so I can be of support for you along with communication of any valuable information.

So if you have not given your contact information please do so asap. Please include your birthdate as I love to recognize birthdays.

We are going to have a website for the 40th MP Company. It's going to be great. You can check for updates, newsletters, and events. This way we all can communicate as a family. Stay tuned for all the access information in the next newsletter.

I have added some excellent websites to visit below. Have a great month and I will be speaking to you all and your families real soon. HOOAH Smoking Guns!
